

Congratulations to the club on their 50th Anniversary, thank you very much for the honour of judging your show. The celebrations were great with a special cake and cookies for the occasion, along with some bubbles and beers. It was lovely to see Pat Eaves-Tenant there. Pat is a club life member and still breeding and exhibiting dogs.

The weather was very kind to us, not too hot, too cold or too windy. I would like to thank my Steward Sue and my stenographers Carol and Maureen who made my day run so smoothly.

Whilst the entry was not large, the quality was very good, with a number of exhibitors from the main land. There were a lot of people attending who were not exhibiting, this enhanced the atmosphere.

We seem to be having a huge issue with underlines, they're too short, I saw very few correct on the day. The length and lay of the upper arm is also an ongoing problem. All dogs had very good character, unfortunately I did lose an open bitch during the gun test. The hindquarters and firmness of hocks overall was very pleasing, we seem to have moved away from excessive angulation. Whilst a couple of animals were slightly loose in ligamentation, most were dry and firm.

Once again, thank you to Ken and his wonderful team for an excellent event, they should be all proud of their hard work.
