

Judge: Louis Donald

Thank you very much to the German Shepherd Dog Club of Tasmania for the invitation to judge.

In regard to the dogs exhibited, relative to the small numbers presented, I was pleased with the quality and that extends to the success of Tasmanian breeders at the recent National. A word of caution relates to overangulation of the hindquarter – an overlong tibia and consequent hindquarter instability. Owners need to be aware and breeders apply common sense to their selection of breeding partners.
