

German Shepherd Dog Club of Tasmania Championship Show

Held at New Norfolk

On May 26 at 10.00am

Alastair Henderson's Judges Report

Even starting at 10.00am and the rain clouds hanging around we managed to get through the entry of 28 with 24 presented with only the last class getting wet.

I must thank my 3 critique writers who shared the job between themselves as nobody was available with a laptop. They were Jeannie Priest, Carol Mason and Lucy Mathers who hand wrote every critique which is very time consuming and a big job.

Even though the entry was small, my Open Dog and Bitch winners were of high quality and can compete in the major shows on the mainland. Also pleasing was that all the open class exhibits presented were gun sure.

The sire with the biggest number of exhibits presented was Macho von Lamorak imp Deu, who had 6 progeny presented and all were of very good type and medium strength, good forehand and very good hindquarter angulation. Their colour could be stronger.

Unfortunately there were 2 bitches presented in the Junior Bitch class, which were dismissed from the ring as the first one was not confident and started growling when I attempted to measure her and the second when I approached with the stick and then would not let me get a correct measurement with the handler holding her. I feel if you cannot measure them you cannot critique them so it was easier for them to be dismissed.

Then the Intermediate Bitch was presented and was measured at 64cm and was also ungraded.

In conclusion I wish to thank the Tasmanian Club for the invitation and the opportunity to judge there again and a big thank you to my steward Annette Anagnostis who was good enough to come even though she does not own our breed.

Regards,

Alastair Henderson
