The Irish Wolfhound Club of Queensland most sincerely appreciates the encouragement and assistance we have received from our members and supporters, without which the first ever Irish Wolfhound Championship Show and Open Show would not have been possible. We are particularly grateful to those who generously donated each of the perpetual trophies we are proud to have available.

The Irish Wolfhound Club of Queensland is affiliated with Dogs Queensland. These shows are conducted under rules and regulations of Dogs Queensland, a copy of which may be viewed at the Dogs Queensland Secretary's office

Patron's Message

The Irish Wolfhound Club of Queensland is honoured to have as our Patron, Elizabeth C Murphy.

Dear Friends,

It gives me great pleasure to send you Congratulations from Ireland on this, your first Championship Show.

This is a day to remember. A special day for the exhibitors and members attending. A big thank you is due to the committee for the preparations involved in bringing the show to fruition.

Shows are a great opportunity for all to further their knowledge and appreciation of the qualities of our breed. It is often the conversation between members and exhibitors that sparks our interest and sends us searching for further information and clarification.

A good knowledge of anatomy (how the bones function together) is essential and gives a greater understanding of what the Standard requires. Most of us have a basic knowledge of genetics, enough to know that if a particular fault is present in our lines, we should take care to breed away from this fault and thus increase the gene frequency for its correction. The mandate to breed to the strengths and away from the weaknesses in our lines can be a difficult task, but we can always aim for a positive step forward.

The journey of knowledge is one we all travel continuously to the end of our days. Remember that it is not only important to acquire knowledge but also to endeavour to share it freely and openly with all who come after us. By sharing knowledge we improve the future of our breed.

We hold the breed in trust for the next generation.

Very Good Wishes,

Betty Murphy

Judge's Biography

Mrs Jennifer Atkinson (New Zealand)

Afshari Afghans and Kerry Blue Terriers

I have been involved in dog showing since 1977 with Afghan Hounds, having bred, owned and handled several multi BIS winners. The extensive love of the Afghan Hound and then the Borzoi, has taken me all over the world, enjoying shows of Afghans and Borzoi with large numbers no longer seen in New Zealand. To see dogs that are behind, or from the lines currently in the southern hemisphere, has always been a pleasure which I will continue.

My first Afghan was supposed to be my trial and error dog for me to learn the craft of showing, presentation and handling after showing horses, cattle and sheep throughout my childhood and teenage years. That became a standing joke as Striesand Milan became a multi - SBIS and hound group BIS winner amongst other accolades. This glorious dog showed me the way forward in a truly spectacular way. He was the forerunner to many other Afghans over time who also took themselves to high places. I currently own six afghans at various life stages with two youngsters waiting in the wings to recommence showing next year.

My original dog choices had always been, the Afghan hound, Saluki and Kerry Blue Terrier in that order. Somehow I skipped owning a saluki and went straight to the Kerry Blue. Needless to say, NZ Ch Fintan of Bluestack did something similar to my first afghan and gained numerous in show and BIG wins to his credit and started me down the Kerry track. I am often questioned as to why the two very diverse breeds, however, who knows? The gundog aspect came in the form of the Gordon Setter, which my youngest daughter Kim has taken to her heart and has now taken up this breed for many years now.

The Borzoi came about through a different process with a close friend invested in her breed, the Borzoi. I have handled extensively Mayvale Borzoi for many years and travelled to Borzoi world congresses in far flung places such as Russia, Switzerland, UK and the USA. These have coincided with the Afghan Congresses, Nationals and other top events along the way.

So I have been involved with Gordon Setters (since 1986), Kerry Blue Terriers (since 1988) and have a continuing, extensive involvement in Borzoi (since 1982). I started judging in 1982 having gained my NZKC (now Dogs New Zealand) international licences for the Hound group followed by the Gundog, Terrier and Working dog groups. I have also handled many other breeds in the Hound, Gundog and Terrier groups. While my main interest has always been with the Afghan hound, I enjoy an involvement with the Borzoi and a number of other breeds within the Hound group particularly the sight-hounds. While in the past, I have only had one Kerry at a time amongst the Afghans, this past year saw me take up the challenge with a second one at home. Surprisingly, contrary to popular opinion, my Kerries have always adored and doted on the more aloof Afghans and certainly each has their own favourite.

I have judged throughout New Zealand, Australia and USA doing Specialty and All Breed assignments.

It has always been a pleasure to judge and go over dogs around the world along with visiting some of the top shows in Australia, America, Europe and the UK. Your perspective of a breed grows as you continue to appreciate the backgrounds behind a breed in its own native country, observing them meeting the purpose for which they were originally intended.

Today it is an honour to judge this Wolfhound specialty show and I am looking forward to it with much awaited anticipation and as this breed is also from my favourite group of dogs, the sight-hounds will be one that will go into the treasure box of memories for a long time to come. I thank the Club for its invitation and also wish to express my best wishes to the exhibitors, committee members and my steward and hope you all enjoy your day.

Thank you! And kind regards

Jennifer Atkinson
