

# Expression of Interest

Thank you for considering one of our puppies to add to your family. We are very selective to whom we sell our dogs to. If you would like to be considered for one of our puppies, we ask you to complete this Expression of Interest Form, as we would like to receive some more in-depth information about you and your world. This will also give you the opportunity to reflect and think certain things through, and explore in the ins and outs, and what-ifs.
