MACARTHUR DOG TRAINING CLUB, INC GUIDELINES FOR NEW MEMBER APPLICANTS

5. To assist in decongestion and crowding in front of the Club House it is asked that designated drivers & Family members NOT participating in the training sessions and not required to look after children, remain in their cars.
6. Due to the affect on the other dogs in a class of strangers “lurking” about in the dark behind the classes it is asked that family members also remain in their cars or at the Club House.
WE DO NOT HAVE ANY CHILD MINDING FACILITIES so it is asked, where possible, children not be left on their own while you are attending classes. Where possible leave children at home, when this is not possible they MUST be supervised by a responsible adult.
7. At the finish of class, you will be supplied with a Hand Book & Home Work sheet.
8. The lights will be turned off after training and everyone has left the field. It is asked that you leave the grounds in a prompt and orderly manner, remembering to continue social distancing as you depart.
