## Overview

The Neewyn Bonnie Jasmine Memorial Shield is open to all members of the club and runs annually from **1st January to 31st December**. The competition is based on the highest percentage of scores achieved in obedience heeling exercises during trial classes.

## Calculation of Scores

1. **Score Submission:**
  - Members must submit their **three (3) best heeling scores** from trials held within the competition period.
2. **Percentage Calculation:**
  - The following formula will be used to calculate the percentage score:
3. Three (3) best scores ÷ by the maximum score possible × by 100 = %

eg. if the maximum possible score from three (3) trials is 120 and the score achieved was 106 - then 106 is divided by 120 = .88333 and multiplied by 100 = 88.33%

4. **Winner Determination:**
  - The member with the highest percentage at the end of the competition period will be declared the winner of the Shield for that year.
  - In the event of a tie, both members' names will be engraved on the Shield.
