THE BULL TERRIER CLUB, SYDNEY N.S.W.
NATIONAL TROPHY SHOW 1985

It was my great pleasure and indeed honour to judge this all important show in the Bull Terrier calendar of Australia. To take any one of the wonderful prizes or indeed to take out the top honours appeared to be high on everybody's agenda. The Super Trophy presented by Mr. Raymond Oppenheimer in 1979 to encourage the breeding of top class B.T's in Australia appears to have paid off. 155 Dogs and Bitches making an all time record for this great day gave me much pleasure to judge. In following judges like Miss Weatherill (1979) Phillis Holmes (1981) - Well I had the honour in 1983 and had been asked back in 1985: The honour leaves me quite speechless and that takes some doing! I would like to thank everyone for helping to make it all come true and for their fantastic sportsmanship, kindness and hospitality. Some Country - some people!

The complete setting came under the guidance of the President - Mr. Dennis McFarlane, via him can I thank my fantastic Ring Steward Miss T. Splite, Mr. Parmenter - Show Manager and RASKC Rep. Mrs. Joan Officer - great to meet such wonderful human beings! Of course thanks to my super exhibitors from every state of this wonderful country for their wonderful support: Let's hope we all meet again. My good wishes and those of my wife Eunice go out to you all.

BEST IN SHOW

The dog owned by Matilda House and very well handled CH. (Aust.) WOLDSBEST BEAU BRUMMEL (Wally) In '83 I had him as my Best Puppy. He has developed into a lovely quality showman of great type: Short compact body with barrel ribs. 1st class topline, nice well developed quarters. Har and fit in great condition. Snow white coat - his presentation was great a credit to his owners. His head is well filled, long and strong, big wide jaw with strong perfect teeth. 1st class eye and good ear placement and great bone. In all I felt this very handsome good looking guy was as good as anything we have in the U.K. A little tighter front and a bit more sweep and roman finish and we would have the perfect animal. But to-day as near perfect as was - required to take out the very top honour B.O.B. in the TROPHY SHOW 1985: (Wally) and Matilda had one hell of a day.

A pleasure to judge you -

Ron Scott (U.K.)

Now after the flush of victory I will report class by class - 1st 3 places.

BABY PUPPY DOG

1st Healand's YALLAMBEE ALASKIAN BOY

Big quality white baby with 1st class head & neck & body. Good legs & feet. Very promising baby, & his show temperament is of 1st class in a baby.

2nd Vassallo's PERICLES SHOGUN

Black brindle & white promising mature baby with a really great head: Could have a future!

3rd Craven's SUGARBAYE SADOUGLAS

Very much the baby - head good - nice bone very promising brindle.

MINOR PUPPY DOG

1st Davis's JEIRDARRA REGAL ZOLTAN

Very handsome Blk brindle with 1st class head - neck & eye. Lots of work to be done on him. When mature won't look so long. Very nice indeed. He and handler not together.

2nd Cross's MISSIGAI BOROLA

Very typy little white all quality boy. Very neat well-filled head. Nice eye and only a baby close up. Good handler! Had the edge in that dept.

3rd Elliott's BARBINSKI PATCHETT

Very promising baby - topline sagging otherwise nothing wrong that time won't help.

PUPPY DOG

1st Kennedy's BARGUSBY BARACUS

Big heavy weight with plenty of substance. Nice bone & legs & standing on nice feet. Coat has to clear. His head is strong with nice eye & ears. Perfect mouth. Nice animal.

- 2nd Fisher's BARGUSBY PREMIER
Lovely headed boy with perfect mouth. Bit sloppy in front - time will put this okay. Worth some hardwork. Young handler did really well !
- 3rd Smit's SUGARBAYE SUNOFSAM
Really a sleeping lazy puppy with a top class head piece - not a lot wrong :
3 Very good pups

JUNIOR DOG

- 1st Nolan's SELSUM SACREBLEU
In my opinion a magnificent big heavyweight while in very soft condition. Handler has a duty to get him fit. Only 12 months old - cracking head long, well filled; perfect mouth: Great bone & substance. Must have a good future.
- 2nd Cooper's BRAHMAPARK UPTOWN MAN
Very close up. Handled well. Good showman. 1st class body legs & feet. Moved well. Out of coat & this spoiled the overall picture. A really 1st class overall dog !
- 3rd Birkbeck's CASTIG COSMONOURT
Beautiful brindle/white well marked dog. Lovely head. Let down by feet that are not his fortune. His head & neckline tops, little longish in body - more rib would balance him out. WE could well see him improve with time.

INTERMEDIATE DOG

- 1st Cook's Aust.Ch. CASTIG CASANOVA
Magnificent, cracking showman. Has been a favourite of mine. In great body, moved OK - ears flying a bit but overall a really good dog. Close up for B.O.B.
- 2nd Smith's PALOOKA DIAMOND DUKE
Blockbuster of a head with lots of quality. Very sound. Handler made a 1st class job of his teamwork. Good bone, perfect eyes, ears & mouth. Could be a valuable dog for Australia. I liked him !
- 3rd House's Aust.Ch. HUNKPAPA MESCALERO
Another high class dog with lots of virtues. His front let him down a bit. Otherwise head is strong, eyes good, mouth good. Inclined to be a wee bit on the crouching side. Handler ought to stand up.

STATE BRED DOG

- 1st Nash's WARTIME SUPER TROOPER
A wee bit upset by the heat ! But a big calm quality dog with a cracking big long angulated head with a perfect mouth & eye. Not bad big lad at all !
- 2nd Kennedy's Aust.Ch. SUGARBAYE SAHAYES
Chased No 1. closely. Quality animal. Just preferred the lines of the winner.

Front pasterns soft and his feet were all over the place. Otherwise quite nice.

OPEN DOG

- 1st House's Aust.Ch. WOLDSBEST BEAU BRUMMEL

1st class big heavyweight. One I like, has many virtues, very fit & covers the ground well.

BABY PUPPY BITCH

Bang on for maturity - too much for the baby class - she's a real cracker. Really high class, lovely quarters, bone, legs & feet with a 1st class well-filled head. Flashy & a really good showgirl. Her markings are really quite attractive.

PUPPY BITCH

- 1st McFarlane's FRIKSHON SOLITAIRE
Very quality white with a 1st class strong well-filled head. Perfect mouth, eyes & ears. Lovely strong quarters & her movement is okay. Her front is good with elbows well tucked in. BEST BITCH UNDER 18 MONTHS ! Indeed she was my RESERVE BEST BITCH !!
- 2nd Monkromony's MONKROMONY CHINA ROSE
Quality upstanding beautiful rich brindle. Has the lot. Pushed No.1 very hard. She's a wee bit straight behind and her mouth is not 100%. But she's high class.
- 3rd Mackay's BRULACIMAN BEAU'S PRIDE
Solid brindle looking very happy. She's a 1st class pup.

JUNIOR BITCH

- 2nd Nelson's MONKROMONY PEKING TIME
A very handsome brindle. Her movement dept. is not her strength. But she has massive substance, bone. Quality lovely elegant head & a 1st class handler , a terrific partnership.

3 years of age, lovely long lean head, lovely temperament, fit as a fiddle a credit to her owner & very able handler.

OPEN BITCH

- 1st Cook's Aust.Ch.CASTIG CHRISTABELLE
Looked in good form. I have judged her before and have little to add to what I reported other than in the Clash for B.O.B. She was pegged back a bit by her floating action at the front.
- 2nd Nash's Aust.Ch. XIPHERES FIZGIG
A very pretty bitch, standing four square and well balanced. Teaming with quality - steady sensible show girl. Not too far behind. A bitch of much merit!
