Correspondence

1. List will be circulated prior to the meeting

General Business

1. Book Update
2. BTC SA – “We must do a new *Breed Information Pack* and *New Breeder Information Pack*.”

Rationale: There are many newcomers to dog breeding who do not have help or support of anyone and we need to educate them; ie: white to white = white, not coloured puppies.

3. BTC SA – Mr S Parsons ROM status. BTC SA propose that rule 4A (2) be revised as follows:

‘That if a judge is on the UK ‘A’ list at the time of contracting this particular judge. That ROM status be granted.’
