

CRITIQUE FROM MR STEVE WALKER (UK) – 5<sup>TH</sup> BULL TERRIER (MINIATURE)  
TROPHY SHOW – 4<sup>TH</sup> OCTOBER 2023.

Firstly, a big thank you to the BT and MBT clubs committees for the opportunity to judge. Your organisation and dedication are a credit to you. Liz you were fantastic. Thanks to you Carol. The show ground and facilities were first class. A big thank you to the lads that stewarded the day and to everyone that were involved in the organisation.

Regarding the dogs, overall you are blessed with very enthusiastic and educated breeders and it shows with the overall quality. With the standard BTs the make and shape bone and temperament are very good, shorter backs do need addressing. With Minis there was some real quality, and a lot of good animals went unrewarded. I feel there is a bright future and I commend all exhibitors for their passion and commitment.
