

Notes from Winkie Mackay - Smith. (U.S.A)
Judge of the 5th BI-ENNIAL NATIONAL TROPHY
SHOW ON THE 5TH NOVEMBER 1987.

What a splendid time I had in W.A. !
Your Canine Association (the Yanks would call
this a Dog Club!) venue was terrific, the
hospitality was wonderful, the entry commendable.

My sincere thanks to the W.A. Club for inviting
me to judge, to Larry and Midge Boag for their
unflagging hospitality and to Peetie Weetie Boag
for supplying us with our daily bull terrier
cuddles and entertainment when we were so far
from home. Thanks also to Terry Cheeseman and
Tony Johnson for their ring assistance. Jamie
and Shirley Watkiss put on a wonderful show with
a table full of lovely trophies produced at the
Watkiss workbench.

The judging was very interesting with more depth
in dogs than bitches I thought, although my
winning bitches were very satisfactory. Heads
were impressive with good mouths prevailing.
The universal problems with shoulders and movem-
ent were also evident. Many thanks to all who
made our visit so pleasant, please remember to
"call in" at White Post, Virginia when you are
visiting the States.
