

BEKMAR

JUDITH CLIFFORD

I started with Bull Terriers in 1988.

My first bitch was Bryvan Spring Song bred by Brian Sylvaney ,then went on to purchase a male from Jim Harrison called Sansami Samurai.

Over the years have bred and shown many dogs to their Championship titles competing and winning BIS at All Breeds and Specialty levels.

Then in the late 90s I started campaigning a Stafford CH.SPEVBILL DAYTONA FATBOY (Ch. Tykabul Heard The News x Atomheart Kingdon Lass)

“Trindel” became a multi BIG & class in show winner, my highlight was winning BIS on my 40th Birthday.

My son bought a bitch-Ch. Jackstaff Gorgeous Gipsy (Ch. Gamester London Fire x Ch. Jackstaff Black Velvert) who I also campaigned along side “Trindel.” Early 2000s I obtained my first Jack Russell Terrier,from this point I have bred numerous BISS,RUBISS & class in show winners at Specialty level.

In 2004 was my first Silverwood (Bull Terrier show) trip which was held in San Jose',from then I have returned to attend many more (2008/ 2017)

2018 travelled to Leipzag Germany for the World dog show then onto Leiden-Holland for the International Bull Terrier Show/Country Competition. Still very much involved with Bull Terrier & Bull Terrier miniatures and am currently the National Bull Terrier Council Delegate for the Bull Terrier Club of NSW Inc.
