I have been involved in the Dog World since 1985 bred and Exhibited Bull Terriers, Sealyham Terriers, Kerry Blue Terriers and Welsh Terriers.

We got our first Bull Terrier Bitch in 1980 from a well-known breeder Jeff Holmes.

In 1985 another Bull Terrier joined the family, from Bulljay Kennels the breeder encourage us to show her unfortunately we lost her to snake bite.

1986 Black and White Bull Terrier Bitch also from Bulljay Kennels joined our family we started showing her with great success.

We titled her to Australian Champion 1987 in 1989 we bred our first litter.

We have breed and owned numerous Australian Champions amongst these where 5 Bull Terrier bred under the Rendar Prefix.

One of our mentors in the breed was Mr Maurice Smith (Palooka Kennels.)

Unfortunately, due hereditary health issues we decided to take a break from showing and breeding the breed we loved.

Bull Terriers where still a big part of our family we lost our last Bull Terrier in 2000 from our second litter that we bred in 1991.

Bull Terriers have always been in the family either with my husband and I or family pets with my children we have maintained a close connection with the breed over the years.

My Daughter has a Bull Terrier from Alison Sutcliffe of Semajon Kennels he joined her family when he was 8 months old, he 10 years old now.

In 2016 we where lucky enough to have a handsome Red & White Bull Terrier Boy join our family not long after that a white Bull Terrier boy joined the family which we showed, and he gained his Aust. Championship title. Both these boys where bred by Alison Sutcliffe of Semajon Kennels.

I have judged Bull Terriers and Mini Bull Terriers Interstate and Victoria at Championship Level.

Judged in 2015, 2016, & 2018

I have judged The Bull Terrier Open Show 2009, also judged numerous open shows, members competition. Staffordshire Bull Terrier, Airedale Terriers, Cairn Terriers, judged number of Group 2 (Terriers) at Open Shows level.
