

Paul Haseldine  
Qualified ANKC Terrier Judge  
Bull Terrier & Bull Terrier Miniature ROM Judge

My love and interest for Bull Terriers began from the age of 7 when my family got our first Bull Terrier, and I have never been without them since.

I attended my first speciality to watch in 2001. In 2003, I owned my first Bull Terrier 'Maolmhin Flirtation' and by 2005 I handled a Bull Terrier at the Trophy show in SA, and have been handling/attending speciality shows ever since. I have been breeding and showing Bull Terriers and Bull Terrier Miniatures since 2005, since late 2012 with my wife we have our own kennel Veroli Bull Terriers and Bull Terrier Miniatures.

Some of the highlights of my time owning, breeding and exhibiting Bull Terriers and Bull Terrier Miniatures are breeding or handling 10 plus Bull Terrier Miniatures to their Australian Champion title winning many in show awards. Of which 2 have obtained their ROM titles. I have also bred and/or handled 15 plus Bull Terriers to their Australian championship title of which 1 obtained his ROM title and was a supreme champion, with several others making up their Grand Championship and Supreme titles. At speciality level, I have won best in show, runner up in show and numerous classes in show along with many ROM points for various Bull Terriers and Bull Terrier Miniatures. At all breeds shows I have won multiple Best and Runner up in shows, countless Best in groups and classes in show and group.

As you can tell I have been involved with Bull Terriers and Bull Terrier Miniatures at this level now with this being my 21st year. I am now also involved with breeding and exhibiting Border Terriers.

Since gaining my ROM Licence in 2015 I have judged Specialty Bull Terrier and Miniature shows in several states and New Zealand. I look forward to judging more in the future.
