Hunter Valley NSW Australia.

I have owned non-pedigree Bull Terriers since I was a young child all the way through to my teen years. In 2014 I started my search for a pedigree Bull Terrier and attended some shows, where I learnt about Miniatures. The Miniatures quickly gained my interest and my first mini was born 17.05.2016 from Chris Hall of Bullwhip Kennel, Ch Bullwhip Amity Affliction. Shortly after my first pedigree Bull Terrier arrived, Ch Brasshead Rebel Rebel from Kerry King of Brasshead Kennels. And CHRYSSALISS was born.

We not long later met John and Bernadette Schofield of Stardom kennels and with their mentorship we bred "Amity" to "Gunner" Ch Stardom Gold Rush ROM. We have Merryl Elphic to thank for the use of "Gunner". From Amity and Gunner we bred **Ch Chrysaliss House of Wolves ROM, Ch Chrysaliss Fatal Attraction, Ch Chrysaliss Flirtacious Miss, PH Ch Chrysaliss Machine Gun Kelly** (who was later exported to the Philippines and went on to sire PH champions). We also exported **AUS Ch, CAN GRAND Ch BRONZE Chrysaliss Avenged Sevenfold ROM** to Canada/USA. Our litters since have produced champions both in and out of the whelping box.

Over the years we have had great success with our bred-by dogs all over the country and internationally, both at All Breeds level and Specialty. You can find a Chrysaliss dog or bitch behind many of the current Miniature pedigrees in Australia, and now also in Canada, USA and the Philippines.

We have bred the 2025 Sebastian and Sangaree Trophy Show Winner **BIS CH Chrysaliss Valbaran Prince ROM SPRD.M DDN DDJ**

The 2023 Sangaree Trophy Winner **CH Chrysaliss Wayward Son ROM.**

Multiple RBISS winners, multi Best of Breed Specialty Winners.

BEST IN SHOW (All Breeds).

25+ Australian Champion BT & BTM and Multiple ROM status BT & BTM.

I am an ANKC licensed Championship Show judge of Group 2 (Terriers).
