I was born into the canine world, my parents owned, bred & exhibited various breeds. I started out as a child handler, then on to showing, obedience, breeding and judging. I went along with my family to our first Bull Terrier specialty in Canberra in 1978, this was judged by Ms Eva Weatherill (SOUPERLATIVE). An exciting weekend for us all and this was the beginning... I had to have a Bull Terrier to show in my own right & not under the wings of my family. I purchased my first Bull Terrier in 1980 from Mike Plane (XIPHERES), then campaigned and handled for my family (HUNKPAPA). I had much success with my "Dolly" Ch: Hunkpapa China Doll who was a multi award winning bitch.

In 1990 myself, along with Matilda House ( HUNKPAPA), Mike & Di Cross (MISSIGAI), Mike Plane (XIPHERES) & other breed enthusiasts, The ACT Bull Terrier Club was formed where I had the honor of being appointed the founding secretary. I have been involved and served on numerous All Breed clubs and served on Dogs NT Council

For over 45 years I have successfully exhibited many breeds and had great success showing to breed specialists, Australian & international judges.

My latest boy Ch: Maolmhin Azerbaijan is a multi Best In Show winner & was number one Bull Terrier Show Dog of the year 2019 (DOLPS)

In 2007 I commenced judging with the Terrier Group & qualified as a Dobermann Specialist Judge in the same year. I am now an ANKC licensed Judge for All Breeds.

My judging assignments have taken me to every state & Territory in Australia, officiating at All breeds & Specialty shows. I have had the honor of judging a Bull Terrier Specialty in New Zealand & Victoria & All Breeds in the Philippines.

I encourage Bull Terrier enthusiasts to campaign not only at specialties... but in the all breeds ring also! I believe people need to see how truly remarkable our Bull Terriers are!
