

**Tony Wiseman**  
**Bulroarus Bull Terriers**  
**NSW Australia**

After having owned a bull terrier in the early 1970's growing up, I had always wanted to show and breed Pure Bull Terrier's and so purchased my first dog in 1996, Swaggerbout Extortinist 'Cliffy'.

I have been breeding under my prefix BULROARUS since 1999 and began showing in 2000. I have since bred over 50 litters, including multiple Best In Show winners, ROM awarded dogs and Supreme Champions. My foundation bitch Pacmartee Elles Thunder, produced in my first litter 3 ROM certified animals. My first home bred male Bulroarus Roman Candle ROM, was a BIS winner at Specialty shows and was a prolific sire, still appearing in pedigrees today. Both his sisters were consistent winners in the specialty ring, Bulroarus Penny Bunger ROM and Bulroarus Bonfire Lass ROM.

My prefix Bulroarus has also bred a number of animals who have attained their American Championship title and ROM classification overseas.

During my time in the breed I have been successful at Trophy show level here in Australia, having won both the Superlative Box and Ormandy Box at different Trophy Shows, with Bulroarus Bonfire Lass ROM in 2001 and Bulroarus Womaniser in 2017.

Bulroarus Mischief Maker ROM was a prolific BIS winner in the specialty ring and is featured in all my pedigrees today.

I have been a member of the Northern Districts Bull Terrier Club for over 15 years, was Vice President for 8 years and currently hold the position of President of the club, and have done for the last 5 years.

I have travelled to Silverwood in the USA on numerous occasions and have also attended the Trophy Show in the UK.

I have judged many field days in Australia, and in 2015 had the privilege of judging the ISIS Vabo Trophy at Silverwood in Texas, for the Bull Terrier Club of America.

In 2017 I had the opportunity to judge the very well respected Country Competition for the Netherlands Bull Terrier Club, in Leiden, The Netherlands.

I am currently enrolled in the Dogs NSW Judges Training Scheme for my single breed licence to judge Bull Terriers and Bull Terrier (Miniature), I hope to complete this in November 2018.
