I have been involved in the Bull Terrier community for 22 years. Before focusing on Bull Terrier Miniatures, I bred, showed, and trained German Shepherds for approximately 10 years.

I acquired our first Bull Terrier Miniatures from Joy Schafer at Schardale Kennels and our first two foundation bitches were Ch Schardale Snowflakes Angel and Ch Schardale My Precious, and these girls are the ancestors of all our current dogs.

Throughout my breeding journey, I have successfully bred numerous litters of Bull Terrier Miniatures as well as one litter of Bull Terriers, I have achieved Australian Champion titles for many of my dogs. Additionally, I am proud to have bred 20 ROM animals and 1 New Zealand ROM.

I am dedicated to the breed and have travelled extensively throughout Australia, and have attended shows at every Bull Terrier Club in Australia. I have been honoured with Best in Show, Runner-up in Show and Best of Breed awards on multiple occasions.

My passion for Bull Terriers and Bull Terrier Miniatures has also taken me overseas to attend various Specialty Competitions including The Country Competition, Silverwood, Montgomery, and the South African Trophy Show. Additionally, I have travelled to New Zealand for Shows.

My dedication to breeding quality Bull Terrier Miniatures has extended beyond my home country. I have exported dogs to Germany, Denmark, Slovakia and New Zealand, and some of these dogs have gone on to contribute to the pedigrees of dogs in Europe, the UK, the USA and eventually back to Australia.

For the past 20 years, I have actively contributed to The Bull Terrier Club of South Australia (BTCSA Inc.), serving as secretary or Vice President for the majority of that time. I was also honoured to be give life membership to the club.

Some notable dogs that I have campaigned include the following:
