Sydney Australia

I was born into the dog world, 3rd generation breeder/ exhibitor. I have been involved in breeding Bull Terriers and Bull Terrier (Miniatures) alongside my mother and sister under the Bullaktiv prefix for many years growing up in the whelping box.

When I turned 18 I was officially put on the prefix having much success breeding Australia's youngest Bull Terrier & Bull Terrier (Miniature) Supreme Champions. Along with the most successful Bull Terrier (Miniature) (southern hemisphere) The youngest Grand Champion male and female Bull Terrier (Miniatures) who were also litter mates. Amongst these dogs many ROM , Grand Champions & Champions, Best in Show and Runner Up in Show winners (both All Breeds and Speciality level),

Along with our breed I have also successfully campaigned many other breeds over the years taking them to top honours including, American Staffordshire Terriers , Staffordshire Bull Terriers , Scottish Terriers , Golden Retrievers, Bouvier des Flanders & PGVB's.

I successfully gained by Group 2 (Terrier Group) licence in November 2024 and look forward to continuing my studies for other groups in the coming years.
