

Paulene Zullo Bullacktiv Kennels

I have been involved with pedigree dogs my entire life, as my family bred and exhibited Pembroke Corgis & Irish Setters, however, my true passion was with the Bull Terrier. I acquired my first Bull Terrier in 1985 and began exhibiting him at All Breeds & Speciality Shows, followed by my first Bull Terrier (Miniature) in 1994.

Over the years I have successfully bred Multiple Best in Show, Runner-Up In Show (across All Breeds & Specialties), Supreme Champions, Grand Champions, both National & International Champions, many of my dogs have attained their ROM status, contributing to over 35+ Champions in my breeding lines

Some of the most notable achievements in recent years include:

**\*\*CACIB Supreme Ch A2O Ch Bullacktiv Stop On Red ROM NTD** - the first and only Australian Bred Bull Terrier (Miniature) Supreme Champion gaining her supreme title at 24 months and the only Miniature in Australia to hold every conformation title available.

**\*\*Grand Ch Bullacktiv Spotted Owl ROM** - gaining his grand title at 20 months of age along with his litter mate

**\*\*Grand Ch Bullacktiv Apache Tear-drop ROM** gaining her grand title at 24 months

**\*\*Supreme Ch Bullacktiv Waking the Demon NTD** gaining his supreme title at 18 months

**\*\* Bullacktiv Devil Made Me Do It (ROM)** gained his Championship and ROM title at 7 months 1 week of age.

Many Bullacktiv dogs can be traced back through the Pedigrees of the top winning Miniatures in Europe, Canada, Spain, Argentina, and Taiwan.

WW Am Ch Caribe Ch Bullacktiv Cochise was the first Bull Terrier (Miniature) imported into Argentina. She won Best of Breed at the World Dog Show in Buenos Aires in 2005 and went on to produce the most successful Bull Terrier (Miniature) in South America

Notably Ch Bullacktiv Sitting Bull (ROM) features in the pedigree behind many top Miniatures in the USA

In addition to Bull Terriers, I have owned and campaigned a Borzoi, Miniature Pinscher, and Scottish Terrier, all of which have earned their Championship titles.

My involvement in the dog community extends beyond showing and breeding. I have been an active member of The Bull Terrier Club INC (NSW) for over 30 years and hold committee positions on both the British Terrier Club of NSW and the Junior Kennel Club.

I gained my Terrier (Group 2) license in 2024, I am also qualified to judge Junior handlers.
