PRESIDENT'S MESSAGE

Ladies and Gentlemen,

On behalf of the members of the club, I'd like to welcome you all to the 10th National Dalmatian Specialty in Canberra, the nations capital, and thank you for the superb entry.

I would also like to welcome our overseas judges, Mrs Linda Phillip, who will be judging all Conformation Dalmatians and Mrs Giselle Scheepers who will be judging all Handler classes. We thank them for accepting our invitation and wish them a pleasant visit to our country.

To our local Obedience and Jumping judges, Mr Reg and Mrs. Sue Dwyer and Mr Charlie Giles, thank you. We hope you will enjoy judging the Obedience and Jumping Dalmatians.

To our show personnel, ACTCA Representative Di Easter, Ring Steward Dr John Collard and Emcee Stuart Barr, thank you for giving of your time to make this day a success.

Our gratitude and appreciation goes to our major sponsor, PEDIGREE, for their incredible generosity and to DogTainers, Rokdog and Cosglo and to all those Dalmatian enthusiasts who have given trophies and sashes. Your contribution to an event such as this has been invaluable and very much appreciated.

Finally, to our 'behind the scene workers'- Ivan Kirin, our Show Manager who always gives 101%, our Trial Manager, Belinda Mitchell, our wonderful Trophy Steward, Sylvia Richter and husband Fred, our Sash and Ribbon Steward, Bev Barr, and husband Stuart, our Emcee. Just this small band of enthusiastic workers have made this show possible and I thank them most sincerely for their hard work and dedication. With this goes a special thank you to Belinda Mitchell and Amanda Eisman for the typing of this catalogue.

All that remains now is to wish everyone a happy and a memorable stay in Canberra.

Mrs Giselle Scheepers

I grew up with a Dalmatian, bull terrier and Siamese cats in the house. I had always wanted another Dalmatian and after getting married and settling down on a farm in South Africa, I purchased 2 registered Dalmatians "just as pets" in 1993. I read about dog shows in the clubs' newsletter and after going to my first one, where I had the only 2 entered and winning 2 ribbons, I was hooked.

In 1994, I purchased my first true "show" bitch who incidentally went back to Linda Philip's UK import, Clausentum Red Dimples of Collaton as well as various South African lines. Scallywags ended up breeding me my first homebred champion, SAf & Zim Ch Charizelle Missy. I have been a member of the Dalmatian Club of South Africa since 1993, have served on the committee for several years before coming to New Zealand and am now a vice-president and life member.

I have 3 Dalmatians at home, my original old man, Houdini, Raisin the NZ bred boy and Kiwi, who came all the way from South Africa this year. I also breed and show Parson Russell Terriers. I am on the South African judges open panel for Terriers and Utility (non-sporting).

Judge's Profile: Mrs Linda Philip

Outside of dogs, Linda is a Pharmacist and Chief Executive Officer of a major listed pharmaceutical company. Linda was 'born into' Dalmatians and together with her mother bred and showed Dalmatians in RSA under the prefix of 'CHALLEYCROFT'.

As a teenager Linda registered her own prefix COLLATON and continued showing and breeding, eventually into and subsequent to her marriage to Michael. Michael too, 'grew up' with Dalmatians – his parents having acquired their first Dalmatian, a Challeycroft, in the late 1950's!

Linda has bred some 30 litters (Challeycroft and Collaton) and exhibited widely in RSA. Linda trained and owned South Africa's first-ever 'Canine Good Citizen' – Murphy, a SA show champion Dalmatian. Murphy also competed in obedience after his show career.

Linda imported a liver bitch (Clausentum Red Dimples – Delvallie breeding) from the UK in the 1980's and another liver bitch, Paradox Living Dream (Vida), from the US in the late 1990's. Vida was a Top Dalmatian in SA, winning BISs before returning to the US to gain her AKC title. Vida will soon be reunited with the Collatons.

Two Vida pups were exported to the US more recently. Linda has imported frozen semen from the US and hopes for success in her breeding programme in 2004. The imported Norfolk Terrier semen has already proven successful at Collaton.

Linda's particular interest lies in the physiology and genetics of dogs, coming off her graduate studies in these aspects.

Linda is a member of RSA's Kennel Union, of the Dalmatian Club of America (DCA), and has registrations with the AKC. Subscriptions to UK's Dog World and US's AKC Gazette ensure a broad source of current info on dogs in general. Linda has been the Vice-Chair of the Dalmatian Clubs of SA for many years, and has sat on the committee of an All Breeds Club, and of a Terrier Club. Linda regularly attends shows in the UK, USA and Canada. Collaton is also active in Norfolk Terriers and previously English Setters. Over and above all this, Dalmatians are an integral part of Linda and Michael's lives, as evidenced by visiting their home, their show tent or just chatting.

Linda has judged the full Non-Sporting Group and Gundogs for many years but the dream remains – to judge a Dalmatian specialty offshore.

A qualifying score is required to be eligible. The highest qualifying score will be the winner, in the case of equal scores; the judge will conduct a count back on heel free and recall exercises to determine the winner.

Best in Jumping Trial will be judged by Mr Reg Dwyer under the following rules:

Winners of each class in jumping will qualify for a "Top Dog Shootout". The judge will set a course (modified open course to allow for the novice dog). The fastest time and clearest round wins.

The Dalmatian Club of ACT wishes you a safe trip home and looks forward to seeing you next year.

Good Luck to the South Australian Club for their National in 2006.
