Show Secretary's Message:

I would like to welcome all to The 12th National Dalmatian Show and thank exhibitors for their entries today, especially those who have travelled long distances. Hopefully the weather will hold out for a good day showing and wish everyone a safe journey home. Good luck to all.

Eileen Pickles

2008 NATIONAL CHAMPIONSHIP SHOW

July 22, 2007

To The Members Of The Dalmatian Association Of Queensland -

Thank you so very much for selecting me to judge your 2008 Specialty. I'm absolutely thrilled to have opportunity, and am looking forward to meeting you all and seeing your Dallys. I was asked to write a resume, but as I have no idea how to write a resume to judge Dals, I'll just tell you a bit about myself.

My involvement in dogs goes back to the time I was 9 years old, saw my first dog show magazine, and said to myself, "Someday I will show & judge dogs." I got my first Dalmatian almost 10 years later, after years of begging, pleading (and sulking), and have been a Dal owner, breeder and exhibitor for the past 40 years. That first Dal finished her championship, was a High In Trial obedience dog, and my best friend, and died during a caesarian while whelping her first litter. The fact that I continued in the breed is an indication of my determination, I guess.

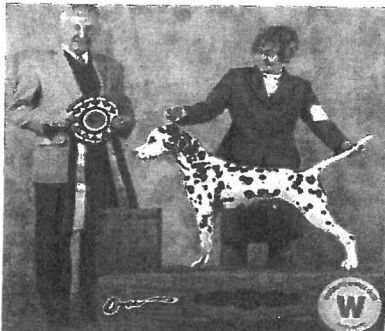

Over the past 40 years I have bred and/or owned well over 150 champions carrying the Paisley name - not sure exactly how many, as the first 100 seemed significant but after that I stopped counting. I am particularly proud of the fact that 58 of them were livers however, and it seems as if Paisley is somewhat synonymous with liver. Paisley dogs have been shown in all areas of performance, although my own involvement has been limited to obedience, and many Paisley Dals have been top producers and are behind a large percentage of the top Dals shown in the US.

I've been a Dal judge for about a dozen years and have judged most of the regional Dalmatian Specialties in the US, plus the Dalmatian Club of Canada, and was selected by the Dalmatian Club of America membership to judge the DCA National in 2002, truly my biggest thrill as a judge. Because I enjoy seeing the breed in other parts of the country, I normally attend the Dalmatian National every year, and as many regional specialties as possible.

Although I had always planned to add additional breeds, and have done a lot of judges education and seminars for a variety of breeds, I have several other time-consuming hobbies and finally decided to stick with judging only Dalmatians, at least until I am retired.

During my time in dogs I have been active in a number of dog clubs, serving as Show Chairman for my breed club, serving on the board of the Dalmatian Club of America, and serving in a variety of capacities for my regional Dal club, of which I was one of the founders. While serving on the DCA Board, I was chairman of the book committee that wrote "The Official Book Of The Dalmatian", which later won the Dog Writer's Award for the best new breed book that year.

I currently share my home with 5 Dalmatians, all American Champions, several of them senior dogs. Although we all seem to joke about getting a smaller, less active breed eventually, I truly can't see myself without a houseful of Dalmatians!

Sincerely, Sue MacMillan Paisley Dalmatians

PROFILE OF **LINDA BENNETT**

In the early 70's Linda lost her cherished companion an Afghan Hound named Britt in a road accident and at that point she decided that any other dog that came into her life would be trained in a more formal manner.

The dogs that followed were Afghan Hounds and Linda made her debut in the show ring at the same time taking the dogs to the South Australian Obedience Dog Club where she became quite well known as the young girl that trains the crazy Affies.

It was in 1975 that Linda became a formal member of SAODC and a year later she was given a German Shepherd puppy by a friend. The puppy was Einzig Alinka who gained a CD title at 9 months of age and progressed to UD by the age of 2 years.

In 1978 Linda became an Aspiring Instructor and a full Obedience Instructor in 1979. During this period she also instructed at the Irish Setter Club of SA.

Not only interested in obedience but the whole spectrum of dog training she was a founding member of the Tracking Dog Club of SA and became very heavily involved in tracking until 1981 when she moved to Queensland with her husband and two young sons bringing with her two dogs Einzig Alinka UD and the Afghan Hound Chantrey Royal Voodoo (Spirit).

The thirst for training dogs was still strong and so she became a member of the local club which was Logan All Breeds Obedience Club and was immediately made an instructor soon she moved to Jimboomba Obedience Club which was an off shoot of Logan.

It was 1984 before another puppy came onto the scene this time a black Miniature Poodle Voila Vanda (Sophie) and with her another aspect of dog training came into play, Agility. It was a largely unknown sport in Queensland at that time and Linda was one of a small group of people who worked hard to get the sport recognised by the Canine Control. Sophie was one of the first dozen dogs in Queensland to attain an AD title and gained her UD at 6 years of age in 1990.

Next on the scene in 1989 was another Miniature Poodle this time an apricot Chedentroy Alyce in OZ (Irish) Irish gained her AD title at 2 years and 4 months of age and her CDX 2 months later both in 1991.

In late '92 Linda spotted a Pointer and fell in love with the breed. In mid 1993 she acquired her first Pointer Tukeglen Top Gun (Oliver) who in 2001 became the first Pointer in Queensland and only the second in Australia to achieve the title of Obedience Champion.

The problems that Linda encountered while training Oliver sent her on a quest for a new depth of understanding the canine mind and in 1997 she became an accredited Canine Behaviorist.

Still in love with the Pointer breed and the challenge that they present in training another Pointer Tintookie The Apprentice (Digby) came to Linda from WA in 1999. He became the only Pointer ever to achieve both Australian Champion and Obedience Champion and all while only 3 years old in 2002.

Digby is currently working towards the UDX title.

Always looking for something different in early 2002 Linda was sent an Irish Red and White Setter puppy Tintookie Finegansrainbo (Finnegan) who gained his Obedience Champion title in 2006. Finnegan is currently the only Irish Red and White Setter in the world to hold this title. He is now working towards his UDX title.

Linda is a senior obedience judge and Life Member of the Canine Control Council (Q), a member of the Obedience Sub-committee and the Judges Training Panel.

PROFILE OF ROBERT STEWART

Robert Stewart first started training dogs in the early nineties with a German Shepherd unfortunately he lost this dog to bone cancer at early age. In 1997 he got his first Keeshond and at this time also discovered obedience trialling he got this dog through to her CD title and after discovering she did not like chasing a dumbbell and turned his hand to Dog Agility which both he and his Keeshond thrived on and at the end of 2005 he got her to her masters title the first keeshond in Queensland to do so and at the same time became an agility judge.

Today he not only continues to train his keeshonds for agility and obedience but also now shows them as well, while doing the odd judging appointment
