**** PRESIDENTS MESSAGE ****

It is a proud day for all of us, in this our thirtieth year of the D.C.O.V., to host the 1st National Dalmatian Specialty Championship Show for Australia.

A warm and special welcome to our senior judge, Mrs. Pam Marshall from the United Kingdom, and the support judge Mr. Tony Syme.

We are pleased Pam Marshall accepted this appointment, as her kennel name and solid reputation is known world wide to all interested in Dalmatians. We do know Pam is proud of the appointment and we are honoured to have her. One can only make the same reference to Tony Syme who is known to us all for his interest and support with our Breed.

Our senior steward, Bill Dalziel, is with us again. How could we manage without Bill !. Keith Cronchey we welcome as assembly steward. On the microphone we have Moira Findley. Trophy hostess is Mary Scanlon and ticket writer Trudy Dalziel. The people make up the best stewarding team any show could wish for. Thank you for your support and contribution to this milestone.

The exhibitors have supported us from all over Australia. We have representation from Western Australia, Queensland, South Australia, A.C.T., New South Wales, Victoria and New Zealand. Due to your magnificent support we have again a record entry for Dalmatians in Australia.

We have conducted some very successful shows over recent years. This one has been the most demanding of all. The committee, co-ordinated by the show manager, Wayne Dundas should be proud of their achievements. On behalf of the members, exhibitors and visitors, I would like to thank you all sincerely for the dedication shown. There are many others who have assisted. The trophy donors have again, due to their generosity, provided us with excellent trophies.

To all connected with this, the 1st National Dalmatian Specialty Show, I say a sincere thank you for making such a successful day.

MEET THE JUDGES

MRS. PAM. A. MARSHALL

(UNITED KINGDOM)

Pam has been exhibiting Dalmatians for nearly 20 years. During that period she has bred and made up 8 champions both in the U.K. and overseas. Pams kennel prefix 'Pampard' is known to us all. Pampard Dalmatians appear in many winners pedigrees and continually feature in major show results.

Pam has been fortunate to have judged Dalmatians in the U.K. as well as on the Continent and Scandinavia. She is an active member of the British Dalmatian Club committee and was one of the organisers of the World Congress held in 1980. In her 'spare time', Pam is a breed correspondent for Our Dogs Newspaper.

We are proud to have our first British Dalmatian specialist judge to judge the 1st National Dalmatian Specialty Championship Show in Australia

With an Australian record entry of 210 it is a proud day for all.

MEET THE JUDGES

MR. TONY SYME (VIC).

Tony is our K.C.C. Guineas judge today. He first became involved with dogs in England when he married his wife Merilyn in 1957. They bred and exhibited Cairn Terriers and Great Danes for 10 years until moving to Australia in 1967. Tony was Chairman and Chief Instructor of the Dartford Dog Training Club in Kent, England.

Now licenced to judge groups 1,2,4,5 and 6 Tony has judged all over Australia, New Zealand and Papua New Guinea. He is very active in many Clubs which includes the Non-Sporting Club of which he is Vice President. Tony was our Breed judge for the clubs 1973 Championship Show.

He has always taken a keen interest in our breed and club. Tony imported the first Alaskan Malamutes into Australia. He is a very active Steward also, which all adds up to a dedicated dog person.
