3RD NATIONAL DALMATIAN SPECIALTY CHAMPIONSHIP SHOW
& OBEDIENCE TRIAL
SYDNEY 1988

Conducted by THE DALMATIAN CLUB

As President of The Dalmatian Club it is my pleasure to, welcome you to the Third National Dalmatian Specialty Championship Show & Obedience Trial.

This year, 1988, is a big year for Australia and a big year for The Dalmatian Club, with the culmination of years of planning for the successful presentation of this show.

Our Club hopes everyone who attends, either as an exhibitor or spectator, will enjoy the day and appreciate the planning and dedication of the committee and members who have worked to make this show possible.

On behalf of the Club I extend a warm welcome to Dick Finch from the U.K., who is judging the breed, and to Cor Scholten from Tamworth, N.S.W., who will be judging the obedience trial.

An invitation is extended to everyone to join us in our "After Show" function where you can relax, socialise and meet our judges and officials.

Have a good day and the best of luck to all exhibitors.

Bill Scott

President, The Dalmatian Club.

CHAMPIONSHIP SHOW JUDGE : MR. DICK FINCH, HANSON DALMATIANS (UK)

Dick's experience with Dalmatians goes back to 1959 when he acquired a promising puppy, Merithew Hey Presto, which he then campaigned to his title. "Plum", as he was known, later sired many winners and was the grand-sire of a bitch, Hanson Pollyanna, who was sent here to Australia in the late sixties, and subsequently gained her title. Other dogs bearing Dick's "Hanson" prefix have been exported to Europe and Canada.

Why "Hanson" as a prefix? obviously it refers to hansom cabs, but also, as Dick explains, "I thought people would say : Oh! those Hanson dogs!!"

Dick's judging career started in 1962 at an Open Show, awarding CC's for the first time in 1970, and judging at championship level ever since. He judged Dalmatians in South Africa in 1979, at Crufts (with a large entry) in 1980, and has also officiated in Belgium, Austria, France, Holland and Ireland.

He has served on the committees of the British and the North of England Dalmatian Clubs, and when he and his former wife ran boarding kennels, was active in the club rescue service.

By the mid-60's Dick's interest in dogs had widened. He acquired the first of several Weimaraners and over the past 20 years has become one of England's most successful Weimaraner breeders and exhibitors. He has also campaigned a Hungarian Vizsla through to its UK title and is currently showing a Smooth Fox Terrier.

Dick is employed by a wine and spirits importer and lives in the beautiful Quantock Hills in Somerset. He's a keen rider and hunter, keeping his own horse, and is a dedicated sports fan, having played Rugby Union at County representative level.

Exhibitors will find in Dick Finch a judge with a vast experience and knowledge, tempered by a fine sense of humour. It is with great pleasure that the Dalmatian Club has appointed him to officiate at the Third National Dalmatian Specialty Championship Show.

No dog says 'No' to Canex.*

Dogs hate worms. But they love Canex because the Canex range keeps them and their friends worm-free and carefree.

Canex Plus[®] protects against whipworms as well as hookworms and roundworms.

Canex Singles provide a single, economic and effective worming treatment for the larger dog. Canex makes an economical treatment when heavy infestation from roundworm and hookworm demands frequent dosing.

It's ideal for pregnant bitches too.

And Canex Chocolate Flavoured Puppy Suspension makes worming time a treat for pups. Look for the Canex range at your vet, chemist or pet shop.

It's the only wormer proud enough to wear its name on every tablet. And no dog says 'no' to a wormer that works.

With the money they made on their high interest savings accounts, both these men bought a Rover.

Both these men opened high interest savings accounts. After one year the man on the right had a reasonable sum of money.

Not quite enough however, to acquire a new Rover car.

The man on the left opened his account with National Mutual Royal Bank. Not only did he

receive a high rate of interest, but his interest was calculated daily and paid monthly.

So with the additional money, he could afford this brand new Rover.

The man on the right consoled himself with a rather less expensive model.

National Mutual Royal Bank

'Selectaccount' and 'Premium Savings Account'.

Interest calculated daily and credited each month.

The extra can make all the difference.

THE BATTLING ORPHANED PUPPIES.

CASE HISTORY No. 2 After giving birth to seven beautiful Bloodhound puppies, Australian Champion Windchase Dandelion, 'Sophie', was undergoing a four hour operation for a twisted bowel. Top breeder, Susan Tringham of Karalee QLD was told Sophie would be unable to suckle her puppies.

Susan began to feed the puppies with a milk formula, but they always seemed to be hungry, so she contacted Jan Jeffs of PAL Breeder Services. "Jan assured us that the pups could be given PAL Puppy Food and they certainly took to it. It was obvious the puppies loved it and they thrived, developing at an impressive rate", said Susan.

The vet also advised Susan to give Sophie small nourishing meals during her convalescence, so she too started on PAL Puppy Food. Sophie not only fully recovered without any loss of condition, she started lactating again and was able to suckle the puppies. Susan was delighted with her new family's progress and said, "PAL Puppy Food certainly is a dogs best start to life".

If you're basing your puppy's diet on PAL Puppy Food then you've made the first and most important step on having a

healthy happy puppy. PAL Puppy Food contains all the essential protein, vitamins and minerals for healthy growth and proper bone formation. It also quickly replaces puppies' easily depleted energy levels, thus reducing the chance of your puppy becoming run down or susceptible to illness. The concentrated goodness of PAL Puppy Food is excellent for lactating bitches, as it provides her with all the nutrition and vitamins in a compact, easily digestible meal.

If you're a breeder, you may be eligible for our special breeder rates. We will also help with information on nutrition, training and grooming.

AUST. CHAMPION DUMBLEDEER GLENN A.O.C.

- C.D. - C.D.X. - U.D. - T.D. - T.D.X. -

20.12.1970 - 8.6.1985

Sire: Ch. Tchachonia Flashjack

Dam: Ch. Hansom Pollyanna C.D.X. imp. UK

Glenn was born in the residence of Slavek and Jane Harris, Northbridge, Sydney; from Pollyanna's third litter. Glenn was Jane's choice of litter and she decided to keep him and name him after her favourite film star, little realising that, nine years later, Glenn would become a film star himself.

Glenn starred in the educational film "Led Astray" which went on to receive The Award for Creative Excellence at the Chicago Film Festival in the U.S.A.

Glenn became an Australian Champion at the age of 14 months, was first in class at the 1973 Royal Easter Show and, that same Easter, gain the first of his Obedience Titles - C.D. Novice, with three straight wins in the one week.

From that time on Glenn performed every year at the Sydney Royal in the Mass Canine Obedience Display as a member of the team of the well-known Mrs. Dulcie Goldstein and in many obedience displays for charity, in particular, Guide Dogs for the Blind.

After Glenn gained his C.D.X. and U.D. Titles, Jane Harris was asked to try the seemingly impossible task - of tracking with a Dalmatian. The rest is history. Glenn's tracking started as a family affair, trying to explain to him that he must try and find his master or mistress in the Northbridge Park. Glenn, always willing to please his mum, finished his second pass for the T.D. Title in March 1979 and the sixth pass for his T.D.X. Title in September of the same year and so became the first Obedience Champion Dalmatian and the first Dual Champion having gained both breed and obedience Championships.

The R.A.S. Kennel Control Journal published Glenn's achievements in April 1980.

The then President of The Dalmatian Club, Terry Blanch, wrote in the Special Edition of the club's Newsletter - News Spots, October 1979 - "Well done Glennie, The Dalmatian Club salutes a very special Dog, and are very proud to have you as one of us. And a very special congratulations to the holder of the other end of the lead Jane Harris, whose determination in the face of sometimes, insurmountable odds helped Glenn on his way to those heights. Other Dalmatians will follow in his footsteps, but there will never be another Glenn!"

OBEDIENCE TRIAL JUDGE : MR. COR SCHOLTEN (NSW)

Cor arrived in Sydney in 1954 and joined the German Shepherd Dog League. With an introduction from the Amsterdam Shepherd Dog Training Club and the League's permission, he started the first organised dog training classes in NSW. Attempts had been made before but for numerous reasons had failed.

He founded the Sydney All Breeds Dog Training Club in 1958 and was Chief Instructor for seven years and the first life member. Cor was also invited to be one of the founding committee of the Guide Dog Association. Since marrying and settling in Tamworth he has assisted in establishing obedience classes with several clubs in northern NSW. He has been honoured with life membership of the Moree KC, Sutherland DT Club, Oxley DT Club in Tamworth and the NSW Royal Guide Dog Association.

Cor has owned and trained German Shepherds, Dobermanns, Schipperkes, Boxers and Airedales. He has trained two dogs to UD and 6 to CDX and in the show ring has made up four champions, including one home-bred.

He has been judging since 1956, including the Brisbane Royal, the first National Trial in NSW, Darwin KC, Airedale Club of Victoria, State Titles in SA and in 1986, the Dobermann National Specialty.

Obedience exhibitors will find Cor Scholten a judge with a wealth of experience and an understanding of our breed. He has generously donated to the Highest Scorer in the Trial a set of portable obedience jumps as a measure of his support for this, the first Obedience Trial at a Dalmatian Specialty.
