PRESIDENT'S MESSAGE

My Committee and I extend to you all a very warm welcome to this the 5th National Specialty Show. We hope, whether exhibiting or spectating, you have a memorable and enjoyable day.

It gives me great pleasure to welcome our conformation Judge, Dr Charlie Garvin and his wife, Lyn, to our shores. Dr Garvin has been involved with our lovely breed in the U S A for many years, and we look forward with great interest to his assessment of our dogs.

For the first time we are holding a Restricted Obedience Trial and extend a warm welcome to our Judges, Mrs Cowling and Mr Begg.

To our Officials, Bill Dalziel, Russ Williams, Bob Bell and Mary Scanlon, thank you for being with us. I am confident that in your capable hands the Show will run smoothly.

I would like to express our gratitude to all those involved in producing such an impressive list of Trophies, and a special thank you to our two Sponsors, "Pal Breeder Services" and "Vetsearch International".

Please join us for the "Happy Hour" following the presentation of the trophies.

Ian Marshall
President.

MEET YOUR JUDGES

DR J C GARVIN (USA) - CONFORMATION

Charlie Garvin became involved in Dalmatians in 1965. His first Dalmatian became top winning female Dalmatian in the U.S. He was active in Junior Showmanship and won the International Champion Junior Showman title at Westminster Kennel Club in 1969, the only time a Dalmatian has been handled to that award.

He and his family have bred fifty-five AKC Champion Dalmatians, using the Korcula Kennel name. Among the Dals he has bred are two Best of Breed winners of the Dalmatian Club of America National Specialty Show (mother and son), and two All Breed Best in Show winners. He bred and owns the all-time record holder for Specialty Bests of Breed (17), and the number one Dalmatian in the U. S. for three years.

He began judging in 1973 and became licensed by the American Kennel Club to judge Dalmatians in 1981. He has judged the Dalmatian Club of America Specialty Show on three occasions, and has been elected to judge again in 1994. He has judged more than a dozen regional Dalmatian Specialty Shows.

He has been very involved in the organisation of the Dalmatian Club of America, serving as President, Vice-President, and Specialty Steering Chairman. He now is in his fourth three-year term on the Board of Directors. He serves the Marion Ohio Kennel Club as Vice-President and as its Delegate to the American Kennel Club.

When he is not busy with his Dalmatians, he is an Ophthalmic Physician and Surgeon. He is President and CEO of the Smith Clinic, a forty-physician multi-specialty medical group practice. He and his wife Lynn, live with their three children in Marion, Ohio.

Welcome to Australia and to the Dalmatian Club of Victoria Dr Garvin.

MRS B COWLING - OBEDIENCE

Betty is a Full Panel Obedience, Tracking and Agility Judge. She is also a VCA Certified Instructor. Betty has been involved in Obedience for 20 years starting with a Bassett Hound and obtaining its C.D. Title. This still remains the only Bassett Hound in Victoria with an Obedience Title.

She trained her first Weimaraner to Australian Obedience Champion (A.O.C.), her second to Utility Dog, Tracking Dog, and is currently training her third Weimaraner, having recently gained its Utility Dog Title.

Betty has been a member of Moorabbin Obedience Dog Club since its inception 20 years ago. As well as instructing, Betty has served on its Committee and Training Panel, and produced its magazine for several years.

She has also been invited by the VCA to lecture on the Obedience Classes and has given many talks on Obedience to various clubs.

*** **

MR J W BEGG - OBEDIENCE

In 1983 the acquisition of a mature German Shepherd bitch saw Mr Begg's introduction to the dog obedience world, when he joined the German Shepherd Dog Club of Victoria.

Since then he has trained and trialed her to a Utility Dog title, become an active obedience instructor, and a Certified VCA Obedience Instructor. He is also active in club administration as an Assistant Branch Manager and a member of several sub-committees.

In 1991 Mr Begg entered the VCA Judges Training Scheme and enjoys judging the Encouragement Class.

Pedigree®
PAL®

Why You Should Use PAL.

PAL is a premium grade, highly palatable nutritious canned dog food.

The result of exhaustive research and development, PAL has been formulated to provide 100% of a dog's total dietary needs, as established by the National Research Council of the United States of America.

As breeders, you are acutely aware that diet (along with exercise and of course good breeding) is the cornerstone of successful showing.

Use PAL and you'll never be concerned with measuring out supplements or worrying about the inconsistency of meat cuts ever again.

PAL may be fed as a solus diet or mixed with a good quality complete and balanced dry dog food such as MEATY-BITES.

Typical	Composition	As Fed	Dry Weight
Dry Matter	(%)	21.1	100
Protein	(%)	8.5	40.3

Linoleic Acid	(%)	0.68	3.2
Carbohydrate	(%)	4.8	22.7

Dogs love the taste

Not only is PAL nutritionally complete and balanced, but dogs love the taste. Switch to PAL and your dogs will be happy and healthy. And PAL's range of varieties offers you a choice of delicious and nutritious meals for your dog.

The following table indicates approximate quantities of PAL required if fed alone.

Current Varieties	Pack Sizes

PAL with Chicken	405g	700g	1.2kg
PAL with Five Kinds of Meat	405g	700g	1.2kg
PAL with Lamb	405g	700g	1.2kg
PAL with Turkey	—	700g	1.2kg

Size of Dog	Weight of Dog (kg)	Quantity of PAL (Cans/day)		
		405g cans	700g cans	1.2kg cans
Toy	up to 5	1/4-1/4	1/4-1/4	—
Small	5-10	1/4-2	1/4-1/4	—
Medium	10-25	—	1/4-2/4	1/4-1/4
Large	25-50	—	—	1/4-2/4
Giant	50-70	—	—	2/4-3

Ingredients

Selected beef, mutton, lamb and poultry (PAL with Five Kinds of Meat contains beef, chicken, mutton, veal and liver) and their by-products including freshly ground bone; cereals; vegetable proteins; food colouring; gels; sunflower seed oil; all essential vitamins and minerals, including the correct balance of calcium and phosphorus required for the well being of healthy adult dogs.

It must be remembered that individual variation will always occur and some dogs will require as much as 50% more, or 50% less of these recommended maintenance levels, depending on their own metabolism and environment.

dalmeadow dalmatians

In August 1991, Bravissimo of Washakie came to join our Dalmeadow family. This delightful dog, son of Eng Ch Washakie Dancing Brave JW and Eng/Irish Ch Zelda of Clydevale, impresses everyone with his stunning temperament and free flowing movement. "Murphy" has been shown sparingly over the past 9 months but has been awarded multiple classes in Group and was Junior Dog at the 1992 Sydney Royal.

On 30 June 1992 his first litter arrived. Of the 12 puppies raised 3 are now about to enter the show ring. Dalmeadow Aston Tirrold and Dalmeadow Ashby Dell will be campaigned in New South Wales, while Dalmeadow Adziel will be campaigned in Victoria by Nicola Clarke.

Washakie Indiannapolis arrived from the UK in December 1991. "Sebastian" who is the son of Washakie Roberto JW and Eng Ch Washakie Indian Summer JW was imported to further our long term breeding program. Sebastian had a very successful show career in England, winning many Championship Show puppy classes and had the honour of winning the Regional Heat of the Spiller's Puppy Dog Stakes from 97 entries just two days prior to leaving the UK.

We are very grateful to Mrs B McClellan, Karen and Gill Goff, of Washakie Dalmatians, Top Breeders in 1990 and 1991, for allowing us to own these fine English gentlemen.
