“WE DO.”

The PAL Breeder Advisers are a team of experienced professionals with a combined total of over 45 years of dog breeding, showing and judging. Their job is to help you be better at what you do and their services and advice are all yours absolutely free. The PAL Breeder Advisers can provide nutrition information, literature and answer specific problems as well as giving general advice. If it's about dogs and their health they have the experience to give you the answers and they are supported by all the veterinary research and resources of Uncle Ben's Worldwide Organisation (including the Waltham Centre for Pet Nutrition).

So whether it's general advice or serious problem solving, drop them a line or give them a call. You'll find that they care.

Top breeders aren't the only ones who recommend PEDIGREE PAL. It's also recommended by the experts at the Waltham Centre for Pet Nutrition.

A centre that is renowned world-wide for its work on pet care and nutrition.

After conducting extensive tests, the scientists, nutritionists and veterinarians at Waltham agree that PEDIGREE PAL contains all the nourishment your dog will ever need.

But scientific results aren't the only ones we're interested in. The real benefit of PEDIGREE PAL can be seen in the dogs themselves. We've spent more than 30 years developing PEDIGREE PAL.

All you need to feed your dog is PEDIGREE PAL to keep him or her in championship condition.
