PRESIDENT'S MESSAGE

I am pleased to welcome our Judges, Officials and Visitors to this, the Seventh Dalmatian National Specialty Show and the second to be hosted by the Dalmatian Association of Queensland.

I would like to thank our Judges, Mr. Forrest Johnson (USA) and Mrs. Carolyn Clarke (AUST) for officiating at our Show and wish them a pleasant day.

On behalf of the Dalmatian Association, I thank our Ring Steward, Ms. Val Spence; our Assembly Steward, Mrs. Colleen Hudson; our Writer Mr. Neil Hudson; MC the dynamic Mr. Peter Edwards; Show Manager(and DAQ Patron) Mr. Jim Ferris; and also Lt. Col. Ray Underwood O.A.M. (President of the Canine Control Council and former Dalmatian owner) for opening the show.

I would like to acknowledge our sponsor Pedigree Pal for their wonderful support (sponsors of this calibre are the backbone of events such as these). I extend my gratitude to Ms. Jan Jeffs and Uncle Bens.

A special **Thank You** to all those hard working members for their unselfish donation of time, effort money and ideas. Without their tireless input none of this would be possible.

Finally I thank all exhibitors for entering and hope good sportsmanship will prevail through out the day. Best of luck to all.

PROFILE OF JUDGES

Mr. Forrest Johnson (USA):

Forrest and his wife Audrey have been breeding and showing Dalmatians under their suffix "OF CROATIA" since 1967, after having previously been involved with other breeds since 1954.

Forrest was instrumental in the formation of the Davenport Dalmatian Club in 1974. He served as Show Chairman for the 1979 Dalmatian Club of America National Specialty Show.

He was elected to judge dogs and intersex at the 1980 Dalmatian Club of America National Specialty. At about the same time, he was elected to the Board of Governors of the Dalmatian Club of America and was again elected for a second term where he served as Secretary for three years, and Vice - President for one year. He has also served as Trophy Chairman for the DCA. Forrest was also elected to judge bitches and intersex at the 1986 DCA National Specialty.

Forrest is the breeder or co-breeder of 51 Champions of record with the American Kennel Club. He has been the owner of at least 62 Champions which include the puppies he's bought and the champion stock purchased for his breeding program.

With the wealth of experience Forrest has had with Dalmatians we are eagerly looking forward to his assessment of our Dalmatians in Australia.

Mrs. Carolyn Clarke (Old):

Carolyn purchased her first Dalmatian in 1969, Aacarsha Miss Gidget, who was successful in the show ring, gaining her Australian Championship.

Carolyn went back to Aacarsha Kennels for her next purchase, Aacarsha Beau Baron, an outcross of two highly inbred lines: Pacemaker and Northview. Beau was very successful in the ring, and from limited opportunities (the breed numbers were rather low in Queensland at that time) became a very influential sire. He was the first Dalmatian in this country to sire two Best In Show winners on the same day, Ch. Messaspot Gay Baron, and Ch. Regalspot Baron Amos.

Ch. Messaspot Gay Baron with 14 Best In Shows became the sire of Ch. Pacesetter Firen Ice, with whom Carolyn had great success winning seven Best In Shows.

Carolyn gained her license to Judge the Utility and Non-Sporting groups in 1985. She has officiated at the South Australian Dalmatian Club, New South Wales Dalmatian Club, and Victorian Dalmatian Club Specialities, as well as a Dalmatian Association of Queensland Parade.

Carolyn would like to wish you all the best of luck in today's National Speciality.
