PRESIDENTS REPORT

It is with great pleasure and no small amount of pride that I welcome you all to our National Specialty Show, Obedience Trial, Agility & Jumping Trial. In this our 50th year of incorporation this event signifies a highpoint for our club and an opportunity for our doggie community Australia wide to gather and meet, either again or sometimes for the first time.

For those amongst you who are new to the Championship, welcome. It is always exciting to see new faces amongst the crowd and entertaining to meet new people whose passion for the breed helps to re-ignite our own.

As is always the case with any event of this scale, there are a host of people whose tireless and generous efforts have been instrumental in bringing the show to vivid life. For them, the show began months ago when preparations began. Our thanks and appreciation goes to all who assisted in many ways.

Additional thanks must go to everyone who has donated prizes and sashes for the show. Your contributions are priceless.

Finally a show of this nature requires the assistance of generous sponsors and supporters. To this end, Pedigree have been exceptionally strong supporters of the Dalmatian Club of Victoria and their support is greatly appreciated. I urge all of our members, exhibitors and guests to return the support and how our thanks by purchasing their products.

The Dalmatian is a passion for all of us here today, and I hope that through our individual efforts and through the works of the Dalmatian Club of Victoria we can continue to protect our four-legged friends and contribute to the growth of responsible Dalmatian ownership across the state, our country and ultimately the world.

Good luck and enjoy

Jim Lane
