## NORTHERN SUBURBS PAPILLON WALKING GROUP

Six members of the Papillon Club of South Australia met on Sunday afternoon to walk their dogs in beautiful Carisbrooke Park, Salisbury.

Nora and Dave with Paris, Kerriane and John with Bindi and Denver (who was celebrating his 3rd Birthday), and Graham and June with Sophie and Poppy.

The weather was a perfect 24 degrees, and the dogs got on pretty well although little Poppy was a bit wary, but got a bit braver as long as big 'sister' Sophie was nearby.

The group has decided to meet fortnightly on weekends, at 2pm on a Sunday to accommodate those members who work during the week. There are many walks in the area so no need to get bored; each walk will be 45 – 60 minutes.

The next walk is 19th May at Freemont Park in Elizabeth. Anyone wishing to join us can get further details by emailing the club at [papclubofsa@gmail.com](mailto:papclubofsa@gmail.com).

## DIARY DATE REMINDER

We have two events in the next three weeks. Firstly, I would like to remind everyone about The Pet Animal Show which takes place on the weekend of Saturday 18th and Sunday 19th May at the Wayville Showgrounds.

The Papillon Club of South Australia has a booth booked for this event on both days, and you are encouraged to attend this event. Our beautiful papillons will be on display, together with their owners, who can chat with you, and perhaps assist you with breed information. We have club merchandise available, and, Alex the Papillon who belongs to The Wonder Dogs demonstration team will be attending and showing off his skills. There will be many breed displays and lots to see, so hopefully, see you there!
