

I would like to take this opportunity to thank all the exhibitors for showing their dogs to me. Despite the heat you were all in good spirits all day and showed great sportsmanship.

Of course a big thank you to the club for the invitation and hospitality.

It is so nice to be able to just concentrate on judging and know that the steward is handling everything with flying colours, and that is always the case with Tony Tau.

I really enjoyed the day and it will be a great memory for me.
