CRITIQUE BY JOHN SIGVE BERG (Norway)

Breed Entry 127

*CLASS 1 -BABY PUPPY
DOG (4 entries, 1 absent)*

1ST (3) SKISKA FARSCAPE Beautiful male puppy, excellent head, with good width of head, dark eyes, strong neck, well angulated front and rear, strong topline, excellent underline, excellent bone, nice feet, excellent ridge, moves in and out perfectly with a good long gait.

2nd (4) SHELDRIDGE VERSACE Tall dog, excellent head with good length of muzzle, needs a little more underjaw, nice neck, a little straight in front, well laid shoulder, good topline, good length of croup, good depth of chest, excellent bone, excellent feet, well angulated rear, moves with a good long stride, but a bit wavy in front, due to his straight front.

3rd (1) ZAWADI SHEEDS JOY Young puppy still needs to mature a lot, he has a nice head, good length of muzzle, dark eyes, good set of ears, excellent angulation front and rear, excellent bone, good feet, good topline, a bit steep croup, a low tail set, and when moving his back is a bit up, so not moving at his best movement at this moment.

*CLASS 2-MINOR PUPPY
DOG (1 entry)*

1st (5) UJAMAA ROULETTE He has an excellent head, well set ears, dark eyes, good length of muzzle, underjaw can be a little bit more filled, excellent bite, good neck, well laid shoulder, moderate angulation front and rear, a strong topline, good underline, croup a little bit steep, and moving he moves with a little bit short steps and still not settled on the move, still immature in movement, which is still okay but a little bit short. Still needs to be more settled in temperament.

CLASS 3- PUPPY DOG
(2entries)

1st (7) KIPSIGIS KIMANI Excellent dog, beautiful head with good width, well set ears, planes excellent. Good length of muzzle, scissor bite, excellent neck, well laid shoulder, well developed front for his age, strong topline, good length of croup, excellent angulation front and rear, excellent underline, a little long in loin, moves with a beautiful long stride, excellent ridge.

2nd (6) ZIMBALOoba HARRY KEWEL Strong dog at the top of the standard, head a little heavy, well set ears, excellent muzzle, scissor bite, strong neck, good shoulder, a little straight in front, excellent bone, good topline and underline, croup a little steep, moderate angulation, feet okay, ridge okay, moves nice but a little heavy on the move and tends to lower his tail too much when moving.

CLASS 4-JUNIOR DOG (9
entries, 1 absent)

1ST (10) CAPRIVI LEX LUTHER Beautiful well constructed dog, overall excellent conformation, very nice head, good length of muzzle, well set ears, dark eyes, scissor bite, excellent neck, well laid shoulder, a little straight in front, strong topline, excellent underline, well angulated behind, croup correct with good length, moves excellent without any effort, he covers the ground beautifully, well handled, excellent ridge.

2nd(11) KIPSIGIS ZIBUKA Strong handsome dog with a good head, ear set okay, nice eye, scissor bite, good length of muzzle good depth of muzzle, strong neck, well laid shoulder, well angulated, good bone, strong topline and good underline, croups okay, excellent ridge, he moves very nice with a good long stride, a little unstable in front but he covered the ground very nicely from the side.

3RD (15) OZRHODE BELIEVE IT ORNOT Yet another excellent dog with a beautiful head, good planes, long muzzle and deep, excellent neck, well laid shoulder, also a little bit straight in front, well angulated behind, strong topline, croup okay, underline okay, good bone and feet, ridge okay could have been a little bit longer, moves very nice from the side, a little unstable in front but covers the ground very nicely.

4th (8) MIERIDGE GATSBY'S APLAWZ Strong handsome dog with an excellent head, eyes a little light, good width of skull, excellent ear set, good depth of muzzle, strong neck, well laid shoulder, moderately angulated, excellent topline, croup a little steep, excellent underline, good feet, moves nicely but he could do with a little bit more longer steps, excellent ridge, all four with excellent temperament.

CLASS 5-INTERMEDIATE
DOG (9 entries, 1 absent)

1ST (20) MZILAKAZI CELTIC HEATHEN (AI) Excellent type, nice head with a good width, muzzle could have been a little bit longer, good depth of muzzle, excellent bite, well set ear, dark eye, excellent neck, moderately angulated throughout, excellent topline and underline, topline strong, excellent bone and feet, correct ridge, croup very nice, moves excellent from the side, a little narrow behind.

2ND(19) ETOSHA GRIFFES POEM Livernose with very good pigmentation. Excellent head, well set ear, nice amber eyes, good depth of muzzle, strong neck, well laid shoulder, moderately angulated, good topline, excellent underline, excellent bone and feet, croup a little steep, but doesn't trouble him when running,

moves very nice with a good long stride, a little narrow behind, excellent temperament.

3RD (18) CH RHODEPARK SALUTE TH STORM Strong handsome dog, a little above the size, excellent head with a good length, well set ears, dark eye, good muzzle with a nice depth, strong neck, well laid shoulder, excellent angulations, moves very nice but he still needs to mature a bit more, he is a bit unsettled in front movement when running, a bit long in loin, excellent ridge, a little steep croup. Moves with a good long stride behind.

4th (17) ISILWANE VAN MORRISON Excellent type, beautiful head with strong muzzle. Correct earset a& bite. Dark eye. Excellent neck, well laid shoulder. Still need to fill out in front & chest. Excellent angulation. A bit long in loin and a little steep croup. Moves nice from the side but still loose in front and a little narrow behind. Excellent ridge. Well handled.

1ST (29) NZ CH/CH RHODEPARK RED DRAGON Excellent type, beautiful conformation, excellent head with good planes and good length of muzzle and depth, excellent neck, well laid shoulder, moderately angulated in front, well angulated behind, strong topline, excellent underline, well boned, excellent feet, moves very nicely from the side and also coming and going, had a beautiful performance in ring, well behaved, excellent ridge which could have been a little bit longer, well set tail.

2ND (28) CH AMBERIDGE WCR WENDEL Excellent type, beautiful handsome strong dog with an excellent head, well set ear, good eye, good length of muzzle, and depth, strong neck, well laid shoulder, moderately angulated in front, well angulated behind, strong topline, excellent underline, well boned, excellent feet, moves very nicely, a little bit untidy in front on the movement which differs him from the first one, good croup, excellent ridge which also could have been a little bit longer, nice coat, nice temperament.

3RD (33) CH CHILOLO SX ICE ON FIRE Strong handsome dog, beautiful size, excellent head with strong muzzle, dark eye, well set ear, excellent neck, well laid shoulder, moderately angulated, moves very nice, from his angulation he moves very nice, strong topline, nice croup, good bone and feet, very nice dog.

4th (27) CH RIJSTONE WHAT A CHEEK Strong handsome dog, with a nice head, good ear set, also strong muzzle with good depth, a little lippy, very strong neck, well laid shoulder, angulation is very nice, excellent bone and feet, good topline, correct underline, tail set okay, also this one has a little bit short ridge, very nice dark colour, a little dark hair in the coat, is a little bit short on the move, would prefer a longer stride.

5th (31) KIPSIGIS MOTO MOJA Beautiful livernose ridgeback, well sized, good head, nice muzzle, would prefer a little longer muzzle, strong neck, well laid shoulder, straight front, well angulated behind, on the move is a little bit wingerly in front, has a very good long step behind, he tends to fall a little bit on the move which is the reason I put him 5th. Good topline, excellent underline, croup a little bit steep, nice colour, nice temperament.
