## CRITIQUES

My sincere thanks to all concerned for the invitation to judge which was a most enjoyable experience. Congratulations to the Committee, show manager, members, my steward and to those behind the scenes for a well run show.

I was pleasantly surprised at the entry and overwhelmed with the baby bitch class. If these youngsters continue to grow on soundly then the breed has a good grounding. I have not shown in Victoria for 6 years so the majority of the exhibits I have never sighted before. It was a pleasure and rewarding experience to handle so many quality ridgebacks.
