Champ Show. Friday 9th March, 2024

Lynn Caswell - Wavemaker Staffords (USA)

Thank you all for this wonderful opportunity. What an honor it was to be invited to travel to Australia to judge your Champ show. I also wish to sincerely thank the hard working and well organized committee and to Penni for answering all of my questions while we were organizing the travel and making me laugh so much. Thank you to all of the exhibitors for accommodating for the last-minute changes to our schedules and having the show on Friday evening instead of Saturday morning as was the plan prior to the extreme heat instead of canceling. Thank you to my amazing Ring Steward Belinda T., and ticket writer Carol who both kept me hydrated and on my feet despite jetlag and the heat. Further thanks also is extended to Belinda F. and Josh for all the support and laughs. Much appreciation to all who entered for accepting my decisions with grace and making the experience a fun one. A special thank you to Erica and Paul for the fantastic adventures after the shows.

I was pleased at the quality, especially your bitches, and extremely happy to see so many issues we see in our breed elsewhere not a true issue at this event. I saw only a couple with pinched nares, most had beautifully open nostrils and long enough muzzles. Very few exhibits had wrinkle, loose skin or short muzzles. There were some mouth issues, specifically converging canines and a couple with level bite. Most were in good fit condition, with only a few who lived a tad too close to the snack bin. There needs to be a look at improving movement, specifically too close in the rear, which tends to be an issue worldwide currently. Pay attention to fronts as well as there seemed to be a bell curve from pinched fronts to too wide with overloaded shoulders book casing many with good square and balanced fronts. Overall tail carriage was excellent, very close to the Standard as well. Thank you again to all.

CRITIQUES

The Staffordshire Bull Terrier Club Of Victoria Inc Championship Show

Monday 11th March 2024

Judge: Gary Nicholson (Ballindona)

I would like to thank the officers and committee for inviting me to judge at this prestigious Club, it was a great honour. It is a beautiful venue, with brilliant prizes on offer, you can see how much work this committee put in to make this show such a success. A big thank you to my ring Steward Mark McFadden who made the ring run smoothly for me. Thank you to the exhibitors for their patience, hanging on until Monday morning because of the extreme hot weather, bringing your dogs under me to give an opinion & taking my decisions sportingly which made for a fantastic show with great atmosphere. I would like to say I'm sorry to the exhibitors that could not stay until the Monday morning I know you travelled far to exhibit. Maybe I will get another chance in a few years.

Some mouths with inverted/tight canines, this is a health problem with canines going into the gum, the dogs I placed in first did not have this issue so therefore I will not mention mouths in my critique. Movement could be better, quite a few were very close in the rear sometimes crossing. Over-all the standard of dogs is good with some lovely puppies coming through, this can only be good for the breed in Australia. When I lined up the dogs for the challenge, I was very pleased at the uniformity across the classes. Please remember that this is my personal opinion on the day and places will change in the future. In some classes there were not enough ribbons to go around.

Class 1. Baby Puppy Dog (4.1a)

1. Mr M & Mrs J Sing **PRANKSTA THE EQUALIZER (AI)** B/Br&w A baby puppy dog of good type, nice head-shape, deep through with good stop, big round eyes with a look at me expression, nice ear carriage, Wide open nares, good fore-chest, lovely front with tight feet, good angulations front and rear, short in coupling, level top-line stacked and moving, moved well both ways and well handled. This puppy is developing nicely for one so young, I'm sure he will have a bright future. I loved him, I was pleased to award him **Best Baby Puppy In Show**.
2. Mr J & Mrs M. Meredith **BEDDAH CANADIAN DREAMS (AI)** Red and white Pied, nice clean head, correct muzzle skull ratio, clean lipped, neat ears, lovely expression, nice dark eye, good front, rib developing nicely, level topline which held on the move, good rear assembly, tight feet, a tad longer in back than 1st, moved and handled well. Preferred the overall balance of 1 but still a lovely puppy.
3. Mr J & Mrs M. Meredith **BEDDAH REIGN OF FIRE (AI)** Red and white Pied, this dog looked very similar to 2nd place, after the show I noticed they were litter brothers.

The attributes were very similar except the topline on 2nd place was more level at this stage. This will probably change as they develop. 3 very nice puppies.

Class 2. Minor Puppy Dog (2,1a)

1. Shadowstaff Kennels **SHADOWSTAFF SHOOT TO THRILL** B/Br typey puppy dog stood alone, good head shape with neat ears, good stop, giving a nice typical puppy expression. Dark round eye, clean lipped, good underjaw, nice width to front with correct shoulder placement and tight feet, nice depth of brisket and spring of rib for age, up on pasterns, level topline stacked and moving, nice rear quarters, good tail carriage moved & handled well, though he stood alone he is one to watch in the future. Was pleased to award him **BMP Opposite**.

Class 3. Puppy Dog (8,4a)

1. Mr. F. & Mrs M. Coetzer **ZERACIOUS LET IT BE ME** B/Br/w dog with white splash on nose and back of neck, put down in super fit condition with ample bone, lovely clean headed dog, another with correct skull muzzle ratio, good expression, neat ears, round dark eye, clean in lip, good underjaw, up on pasterns, good angulations front and rear, enough rib, level top-line stacked and moving, good set on of tail, moved and handled well. He was in good condition with gleaming coat. I was pleased to award him **DRCC & BJ Opposite**.
