I confirm that all information is correct and understand that giving misleading information may result in cancellation of the listing.

As owner of the sire I certify that :		Yes	No
1	I have seen the registration certificate of the bitch and have positively identified her.		
2	I have observed and confirmed the mating and tie of the dog and bitch on the dates below.		
3	I confirm that the bitch has been securely confined and that no other male dog could have served her whilst here.		
4	I am satisfied that the owner of the bitch has ensured that no other male dog could have served the bitch before her arrival here and will ensure that no other male dog will serve her on her arrival home.		
5	I am a financial member of my local Tenterfield Terrier Club.		
6	The owner of the bitch has fulfilled all requirements for the service (eg payment of the service fee) and I have no other claim to this litter. If this is not the case the puppy registration papers for the litter will be sent to the owner of the sire for forwarding to the owner of the bitch as soon as all commitments are met.
