POINT SCORE

To determine the Great Dane of the Year and the Top Ten of the Year, points are derived from breed judging (Group and All Breed in Show awards are not allowable).
Points will be awarded on a one-for-one basis, plus one point for yourself. This applies to the first three (3) place getters.

EXAMPLE

20 Great Danes entered and shown (from Minor Puppy upwards), BOB gains 20 points, RUBOB gains 19 points. A dog is placed second (2nd) in a class of five (5) dogs. He gains four (4) points. The dogs placed third (3rd) gains three (3) points. Opposite points can only be gained from Best of Class wins. (If a "non" Reserve Challenge winning dog wins over a Reserve Challenge winning dog in the Class run-off, then the winner gains all those reserve points as well).

FEES

$5.00 per dog. All monies are to be paid to the Treasurer. New and/or extra dogs may be added at any time during the year and will enter the Point Score from the following month forward (eg Ch Fido's notification received on September 4. Dog enters Point Score with October points).
